This sample puzzle is an example of what you may find in a PuzzleTales experience. PuzzleTales is a website for interactive puzzle stories. Read a chapter of an interesting story, then solve a puzzle to unlock the next chapter. Our first tale is a sci-fi short story called *Svalbard*, by Lavie Tidhar. Travel along with Mai as she explores a utopian post-apocalyptic world and discovers ancient time vaults, forgotten robot enclaves and slumbering super computers. Help her scavenge for old technology in the ruined cities and discover ancient secrets about previous civilizations.
